Allowable Subject Matter

3. Claims 1, 2, and 4-36 are allowed.
4. The following is the Examiner's statement of reasons for allowance: the claims are
15 directed at an electronic interconnection system comprising: a printed circuit board comprising a
first contact pad and a second contact pad; a chip package comprising a chip and a package
substrate having first contact pad and a second contact pad; an electrical connection between the
package substrate and the PWB coupling the first contact pad of the PWB and the first contact
pad of the package substrate; and a bridge lead for coupling the second contact pad of the PWB
20 and the second contact pad of the package substrate. Such an electrical interconnection system is
not disclosed or suggested by the cited references.

Any comments considered necessary by applicant must be submitted no later than the
payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
